

Ripona Language Academy

Family Commitment Compact

Ripon Unified School District is committed to the success of every student. Our goal is that each child is:

- Challenged by a rigorous academic program
- Enjoys school and learning
- Feels a sense of belonging
- Is capable and confident

In addition to those foundational basics, our Dual Language Immersion Program students:

- Goal is to become bilingual by developing high levels of proficiency in the students' native languages and in a second language
- Demonstrate multiculturalism through positive cross-cultural attitudes, behaviors, and high levels of self-esteem
- Strive to have no statistically significant achievement gap between native English speakers and English learners

Ripon Unified School District commits to:

- Provide a language-rich environment in the dual-language classroom
- Teach reading and math in English and Spanish.
- Dual Immersion Program through our 50/50 Model
- Extend Spanish literature to grades 6-8 as the program grows
- Offer pathways through high school in order to meet the Seal of Biliteracy requirements
- Consistently strive for the academic success of every student

In order to support a high-quality and sustainable Dual Language Immersion Program, parents commit to its long-term success.

As a parent, I commit to:

- Stay informed about my child's progress by attending parent-teacher conferences and school meetings about the dual language program.
- Talk to the teacher or principal if I have questions.
- Support my child's bilingual and biliterate development by maintaining a positive attitude regarding my child's second language learning.
- Remember that the process of language acquisition is a long-term commitment, and that it takes five to seven years to acquire a second language.
- Maintain my student's participation in the Dual Language Immersion program through at least 5th grade so he or she may fully develop full language skills in both Spanish and English.
