3. LCAP Review:
 - a. Kathy discussed important parts of the LCAP that pertain to federal funds, board goals, response to intervention, greatest progress/needs of district and performance gaps.
 - b. Page 8 is the dashboard snapshot - showing the strengths and weaknesses of the district - Kathy described what the colors mean, the biggest concerns, and what the new areas of concern are.
 - c. Harvest High's suspension rate has improved as Suzette has been working hard to get HHS out of the red.
 - d. Kathy discussed the annual update. What was put in the "expected column" vs the "actual column"
 - e. Page 19 - analysis section was reviewed regarding actual expenditures vs. planned expenditures. 18 elementary teachers piloted and are moving forward to recommend Amplify at the upcoming board meeting. The HS is getting ready to pilot STEMScopes. Elementary schools will start the 19/20 school year with new NGSS approved Science curriculum.
 - f. Kathy went on to discuss changes within the document.
 - g. Lydia asking for workshops for parents to get the upper grade students motivated.
 - i. Felicia shared out regarding LULAC: a flyer at CO was received and she and Cheryl went through and filtered through all of the workshops to pick the ones that were most beneficial for the students in the 17/18 school year.
 - ii. Moving forward, Eva Matthews will look into sending students who would benefit and qualify to attend these workshops - will be a site decision.
 - iii. There isn't a limit on students allowed to attend. It is a matter of planning - bus chaperones
 - h. Please review the document for further detail
4. Kathy reviewed the Stakeholder Engagement
 - a. First 2 pgs discuss all the meetings that have taken place for the LCAP all year
 - b. Impact discusses the changes that impacted the LCAP because of the meetings
 - c. Kathy reviewed the Goals and Actions

- i. Please review the 19/20 column as it details our goals for the next school year
 - d. Kathy explained how to review the short summary and find the at length details in the LCAP
 - e. Each school receives \$5,000 for STEAM and monies are also distributed to libraries and music programs
 - f. We have purchased 1 new Chrome cart per elementary site
 - g. Kathy Coleman continued to go through the LCAP Summary sheet - explaining what each goal and action means
 - h. Goal 3 was created for ELs - page 80 of the LCAP goes over the percentages of students who met or exceeded standards. Goal 3 is in place to close the gap.
