 - i. Seal: The seal is an award that high school students receive to show that they are biliterate. Pathway to biliteracy is for 8th graders. It is to encourage them to continue the path to earn the seal in high school. Suzette discussed the handout that shows what is required of the students to earn the seal. Even if a student qualifies as a sophomore, they cannot get their seal until they are a senior. CAASPP ELA has to be passed by their junior year. The county office has a recognition ceremony for Seal of Biliteracy. Pathway and Seal recipients will be recognized at the RUSD board meeting and individual sites. We will notify when those events will occur. Please support your students in their testing process.
 - ii. Pathway: Suzette discussed the handout regarding the requirements to qualify to be recognized for the pathway award.
 - iii. Suzette will present at the schools and bring the applications for them to fill out at that time. Estimated to take place in late January, early February
 - iv. Suzette discussed the handout regarding the seal/pathway of biliteracy stats. Please refer to handout for further information
 - b. LCAP survey results
 - i. Suzette discussed that the survey is given to students, staff and parents. The results of these surveys tie directly into funding. Bilingual paras inputted paper surveys that were returned to their sites from those individuals who do not have internet access. Please refer to the handout for further details.
